

To: Taxpayers Against Waste  
c/o Mr. Ellison and Ms. Davis:

Finally, I found you at last week's Planning  
Commission meeting!

I noticed that while Madison, Carbone and their  
buddies are getting paid \$23.5 million to advocate  
for the county's latest boondoggle you and your  
organization probably could use a little money.  
Enclosed find \$1000. and know there's plenty more
