## Learn How Sustainable Energy Systems Can Work for You!

- Discover the benefits, challenges, technologies, & the costs of clean energy living.
- Hear from experts about wind power, solar PV, solar thermal, biomass, green building and energy efficiency for residential and commercial use.
- Interact with dozens of exhibitors, see hands-on demonstrations, & get answers to your questions.

The Wilderness Center is located at  
9877 Alabama Avenue S.W., Wilmot, Ohio  
One mile west of Wilmot— just north of US Route 250

## Reserve Lunch

Enjoy a box lunch while listening to our Keynote Speaker.  
Please call T.W.C. for more information at 1-877-359-5235
